It appears that many hams are confused over ARPSC, NTS, AREC, MARS, RACES, RED CROSS, etc. In an effort to "unconfuse" the situation I offer the following explanation.

1. **A.R.P.S.C.:** **A**mateur **R**adio **P**ublic **S**ervice **C**orps is an organization set up by the A.R.R.L. in order to present amateur radio to the general public as a public service. Remember that the legal name of our hobby is: **Amateur Radio SERVICE.**

2. **N.T.S.:** **N**ational **T**raffic **S**ystem is the traffic and longhaul wing of A.R.P.S.C.

3. **A.R.E.C.:** **A**mateur **R**adio **E**mergency **C**orps is the local emergency wing of A.R.P.S.C.

4. **M.A.R.S.:** **M**ilitary **A**ffiliate **R**adio **S**ystem is a military backup system operated by amateurs but under the control and answerable only to the Air Force, Army, or Navy.

5. **R.A.C.E.S.:** **R**adio **A**mateur **C**ivil **E**mergency **S**ervice is a communications system operated on behalf of civil (governmental) authorities by amateurs using amateur frequencies. Local Civil Defense plans specify that the amateur personnel shall come from the A.R.E.C.

6. **RED CROSS:** The American Radio Relay League has renewed an agreement with the American National Red Cross whereby amateurs throughout the nation will offer their

HISTORY

The Milwaukee Radio Amateurs' Club, Inc., was founded in January, 1917, by Loy Schell Hillegas-Baird and other local radio amateurs, for the purpose of banding themselves together into a non-commercial organization which could champion their cause and provide means whereby their knowledge of radiotelegraphy, radiotelephony, and allied subjects could be collectively increased.

In December, 1919, the Club became affiliated with and now constitutes the Milwaukee chapter of local section of the American Radio Relay League, Inc., which is a national non-commercial association of radio amateurs, (with executive headquarters at West Hartford, Conn.) bonded for the more effective relaying of friendly messages between their stations, for legislative protection, for orderly operating, and for the practical improvement of short-wave two-way radio communications. "Of, by and for the amateur," the League numbers within its ranks practically every worthwhile amateur in America and has a history of glorious achievement as the standard bearer in amateur affairs.

The club meets the first and third Thursdays at 8:00 P. M. at the Allen Bradley Hall of Science Bldg., 432 E. Kilbourn Ave. except during the months of June, July and August. Visitors and prospective members are welcome at all meetings.

services to the Red Cross during times of disaster. Each local Red Cross chapter is made up of committees and subcommittees and one of these is the Communications Subcommittee. Local chapters usually go to various professional communication agencies for members to this very important committee. We are very lucky locally in that every member of the Communications Subcommittee of the Milwaukee/Waukesha County Chapter is an amateur.

It is the present project of our new Wisconsin Section Emergency Coordinator, Bernie Tower K9ZPP to have an Emergency Coordinator in each of the counties within the State. These "E.C.'s" are, as the name implies, COORDINATORS and they need the support of all individual hams and all amateur clubs and groups in order to keep our public service foot in the community doorway. The following are E.C.'s in the southeastern area of Wisconsin:

Kenosha County	**No Appointment** (if interested call K9ZPP)
Milwaukee County	**K9KJT**
Ozaukee County	**W9PYM**
Racine County	**W9SZL**
Washington County	**W9SAA**
Waukesha County	**W9ZPV**

The Milwaukee and Waukesha County A.R.E.C. net frequency is 146.67 mcs Wide-band FM.
